Trina N. Dresden joined LFLM in January 2021 as an Associate Attorney in our San Francisco Office. A graduate of UC Santa Barbara and University of San Francisco School of Law, she started practicing law in 1993. Starting as a sole practitioner, she handled a variety of civil matters: landlord tenant, employment law, real property disputes, and personal injury. She was a member of Alternative Defenders, Inc., the criminal conflict panel in Marin County. Through that organization she acquired the bulk of her experience, handling both juvenile and adult cases, taking four of them to jury trial.

After her fourth boy was born, Ms. Dresden opted for a change and joined Parente & Christopher, a workers compensation firm in 2019. That experience brought her to LFLM where she defends insurance carriers, third-party administrators, and self-insured employers in all areas of state workers' compensation defense.
