## DISCLAIMER

*As of its printing date, this directory represents the most accurate and up-to-date attainable information regarding all personnel at the Workers' Compensation Appeals Boards for the State of California, as well as for the United States Department of Labor.*

*Many California Workers' Compensation Appeals Boards have instituted a system of regional telephone call centers as an alternative to direct access to Judges and their secretaries. Different board locations have different policies regarding the use of these call centers. We are unable to provide direct telephone numbers.*

*Please keep in mind this directory is meant only as a guide for whom to contact at the different boards. Changes in policies and personnel do and will occur; but the information provided should offer an initial contact.*
